Find the option: Look for "Additional Services," "Extras," or "Add/Change Bags" in your trip details . Select flights: Add the pet to each flight segment separately . Pay the fee: Complete the process by paying the pet fee, which varies by airline . In the Additional Services section, select 'Add carry-on pets' Review and agree to the carry-on pet requirements. Select the flights that you want your pet to travel on . Volaris Airlines requires that the combined weight of a pet and its kennel for carry-on does not exceed 20 lbs (9 kg) . Pets must be at least 8 weeks old and fit comfortably in an under-seat carrier and are not allowed on transatlantic flights or to specific destinations like Hawaii . Combined animal and kennel weight is limited to 150 pounds . Other restrictions may apply depending on aircraft type. Animals will not be accepted in an aggressive or hostile condition . Muzzles or restraints impairing respiration or injuring the animal will not be accepted . Volaris Airlines welcomes pets in the passenger cabin and as checked baggage. The fee is \$100 each way for both services. In-cabin travel is for small dogs, cats, rabbits, and household birds in an approved carrier under the seat. How to Add a Pet Online: Log into your reservation on the airline's website or app (computer browser is often easier than the app) and look for options like "Add a pet," "Additional Services," or "Extras". Phone: If you can't find the option online, call the airline's customer service directly to add the pet to your Volaris Airlines and pay the fee . Important Considerations Space is Limited: restrict the number of pets per flight, so book your pet as soon as possible . Fees Apply: Expect a one-way fee (e.g., \$50-\$150), payable in advance or at check-in . Check-in: You often need to check in at the counter with an agent, not a kiosk, and arrive earlier
